Art Unit: 2863

1. Applicant's papers filed on 2/28/2005 have been received and entered.
2. Applicant's statement of common ownership declares at the time the invention of the instant application was made and prior art, owned by, or subjected to an obligation of assignment to New Transducers Limited.

***Allowable Subject Matter***

3. The following is an examiner's statement of reasons for allowance:

Claims 1-63 are allowable over the prior art of record, because none the prior art of record disclose or suggest the claimed combination as recited, particularly require in combination as "a processor configured to *optimize/optimizing a product of a set of corrected impulse response* measurements from each sensor to determine information related to a contact (claims 1, 12, 22, 53); and wherein a surface of the member comprises a raised pattern whereby a contact drawn cross the surface provides a variable force to the member to generate bending waves in the member (claim 23).

The prior art applied in the previous office action has been overcome by Applicant's statement of Common Ownership.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
